

ABOUT THE 108 SPEAKER PROGRAM

WAssup Community Services began from a simple grassroots idea: turning everyday 10c container recycling into something practical, positive and uplifting for the community.

Through Containers for Change, WAssup collects eligible containers and turns that support into real outcomes for people and places that need it most.

The 108 Speaker Program grew from the belief that music can bring people together, support wellbeing, encourage self-expression and help create stronger community spaces.

The aim is to place JBL PartyBox On-The-Go speakers into communities, especially regional and remote communities, where they can be used for connection, creativity, events, youth activities and participation.

THANK YOU FOR YOUR SUPPORT

You can support WAssup Community Services in three easy ways:

- 1** Scan the QR code below to visit wassup.au, follow the journey and connect with WAssup.
- 2** Donate your eligible 10c containers at any Containers for Change depot using:
C11616901
- 3** Need help with collection? If you cannot get your containers to a depot, WAssup may be able to arrange a local pickup by appointment, usually once a fortnight where possible.

Every container helps turn recycling into music, connection and community.
